

## TJ Theatre Boosters

Theatre Boosters supports our students involved in TJ's growing and dynamic theatre program. We'll kick off 2016-2017 with the September 17th Welcome Picnic and begin planning for our big musical production of "Les Miserable." This year will also include the 30th production of "Knight of the One Axe." All students are eligible to participate in theatre at TJ and **no experience is necessary**. There are numerous ways to get involved, acting and/or teching (set design/construction, sound, lights, stage crew, costumes, make-up, etc.).

**But to make all this great programming possible we need YOU – the parents!**

**Why encourage theatre for students at a science and technology school?** Students involved in performing arts develop vital life-skills:

- **Extemporaneous speaking:** so handy for impressing college interviews & research committees!
- **Oral Presentations:** vital for making that Nobel Prize acceptance speech!
- **Teamwork and event management:** great skills but also a fun way to become part of a supportive TJ "family" of students

Our contributions this year will help provide choreography, lighting and other workshops; equipment and costumes for productions, and countless other needed items and expertise to help support our students.

**And your membership contribution comes with BENEFITS & DISCOUNTS**

- ☐ **Patron (\$50, 1 free concession per show)**
- ☐ **Aficionado (\$100, a free flower & message for your favorite actor)**
- ☐ **Center Stage Sponsor (\$250) (2 free tickets for every production you attend)**

**Donor email:** \_\_\_\_\_

**Your name as you want it printed:** \_\_\_\_\_

**Your student's name:** \_\_\_\_\_

**Please send this sign up form with your 2016-2017 membership payable to:**

**TJ Theatre Boosters, c/o Treasurer Aparna Menon,  
14408 Tracy Schar Lane, Centreville, VA 20121.**

Your tax-deductible donation will be confirmed by email, and you will be recognized in production programs!

**Questions or Comments? Contact:** TJ Theatre Boosters at
